A pensioner is a person with a pensioner card or official (!!!) pension confirmation or automatically a man over 65 or a woman over 60 (note: if not all people are pensioners, the person and pitch will be charged pro rata according to the respective season!)

DISCOUNTS: Individually or in any combination with each other up to a maximum of 15% in the low and middle season and a maximum of 20% in the high season on the person fee of those persons actually present. Discounts cannot be combined with each other or with vouchers (frequent-visitor-discount with CCI/CKE excepted)! Discounts do not apply to rental caravans, mobile homes and apartments, or when using special rates for pensioners, overnight rate, end-of-season offer or TOP weeks.

CCI/CKE: ATTENTION - since there is no longer an insurance coverage, these cards will no longer be accepted from 2025!

Discount cards and club cards are only valid if we are listed as a participant by the exhibitor! They are only valid for immediate family members (parents and their minor children) of the person present in whose name the card was issued and only on the same pitch.*
